

Letter from the Chair of Governors - Spring 2023

Dear community of **Windhill Primary School**,

“Happy New Year!” to all of our Windhill families

For many of us, the holidays are opportunities to watch some great movies. One of the most popular at the moment is the Disney film-

The **Madrigals** are an extraordinary family who live hidden in the mountains of Colombia in a charmed place called the **Encanto**. The magic of the **Encanto** has blessed every child in the family with a unique gift – every child except **Mirabel**. However, she soon may be the Madrigals last hope when she discovers that the magic surrounding the **Encanto** is now in danger.

One of the most well-known songs is “We Don’t talk About Bruno” but another song has a beauty all of its own: **“ALL OF YOU.”**

The main message of the song is that we are all unique and all have something special to bring to our families and friendships-just as we are. Here are some of the lyrics:

**“It’s a dream when we work as a team (all of you, all of you)
You’re so strong...”**

**Come on, let’s plant something new and watch it fly
Straight up to the sky, let’s go!”**

As we look to this New Year, let’s all look forward to **planting something new...** whatever that might mean for your family.

At school, on behalf of the school community - our pupils, families and friends - we will continue to **“work as a team (all of us, all of us)”** to fly the Windhill Kite for Excellence, **“straight up to the sky.”**

Very best wishes,

Lynn Mathers
