

Art

Intent	<p>At Windhill Primary School, through the teaching of art and design, we promote creative and innovative thinking and develop a love of learning. Our art curriculum is fully inclusive, providing a clear and comprehensive scheme of work which shows progression across all key stages within all strands of art.</p> <p>Our Art curriculum provides children with the opportunities to:</p> <ul style="list-style-type: none"> - Develop their skills using a range of media and materials. - Study and take influence from a range of famous artists and their styles. - Formulate opinions and preferences about particular styles and techniques. - Apply their skills through cross-curricular links to deepen their learning. - Be reflective and evaluate their work to promote progression. - Explore and evaluate a range of different ideas and styles. - Develop an understanding of the vocabulary and language of art and design. - Create cross curricular links. 			
	Underpinned by	High expectations	Modelling	Evaluation
	<p><u>All</u> children are expected to succeed and make progress from their starting point.</p>	<p>Teachers equip pupils with the skills needed to develop art, building on prior knowledge, by demonstrating and providing good examples.</p>	<p>Children will develop the skills to analyse and evaluate different styles and techniques of art.</p>	<p>Appropriate vocabulary is taught at each stage of the learning process.</p>

Implementation	<p>Quality First Teaching Staff skilfully deliver lessons with modelling and guidance, building skills based on prior knowledge.</p>	<p>Artist Studies Each year group will study an artist and build their knowledge and skills based around the famous pieces of artwork. Children are encouraged to analyse and evaluate their styles and use this as inspiration for their own work.</p>	<p>Schemes of Work Consistent teaching of skills throughout year groups following schemes of work, which make links to curriculum topics. Staff use schemes of work to develop medium and short term planning build around the teaching of skills and their implementation.</p>	<p>Cross Curricular All art topics are linked with current curriculum topics.</p>
-----------------------	---	--	--	--

Impact	<p>Quality First Teaching Ensures all children are exposed to high quality teaching and delivery of lessons.</p>	<p>Artist Studies Children are exposed to a wide range of styles of techniques. Children are able to analyse and develop opinions, making justifications, as well as being able to respect others thoughts and opinions.</p>	<p>Schemes of Work Children are exposed to a skill based curriculum with consistent vocabulary and progressive techniques within each year group.</p>	<p>Cross Curricular All art lessons are relevant and purposeful.</p>
