

Pupil premium strategy statement (2024-2027) Windhill Primary School

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

School overview

Detail	Data
Number of pupils in school	260 (Reception – Year 6)
Proportion (%) of pupil premium eligible pupils	44% (114)
Academic year/years that our current pupil premium strategy plan covers (3-year plans are recommended – you must still publish an updated statement each academic year)	2024-2027
Date this statement was published	December 2024
Date on which it will be reviewed	June 2025
	November 2025
Statement authorised by	Governing Body
Pupil premium lead	Matthew Hedar
Governor / Trustee lead	Lynn Mathers

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£170,150
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year <i>If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year</i>	£170,150

Part A: Pupil premium strategy plan

Statement of intent

Every pupil who attends Windhill Primary School is entitled to an excellent education where they achieve their full potential, regardless of their background or barriers to learning. School leaders at Windhill Primary use the pupil premium grant to support the improvement in attainment and readiness for life and learning for all pupils who are underachieving. We prioritise high quality teaching and learning, using the grant to ensure our disadvantaged pupils' access excellent education every day during their time at Windhill. The pupil premium strategy further supports this through targeted interventions and wider opportunities so that their attainment is as close to age related expectations as possible or beyond.

We recognise that disadvantaged children can face a wide range of barriers which may impact their learning. Common barriers to learning for disadvantaged children can be: less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no "one size fits all".

The key principles of the plan are to continually upskill all staff working with pupils to a high standard so that learning is pitched accurately and effective teaching strategies are embedded. Additionally, it looks at each pupil holistically to ensure that pastoral and wellbeing needs are met which also extends to the family home.

Our ultimate objectives are to:

- Narrow the attainment gap between disadvantaged and non-disadvantaged pupils
- Remove barriers to learning created by poverty, family circumstances and background
- Ensure all pupils are able to read fluently and with good understanding to enable them to access the full curriculum
- Support our pupil's health and well-being
- Access a range of opportunities to develop their knowledge and understanding of the world around them

We aim to do this through:

- Ensuring teaching & learning opportunities meet the needs of all pupils
- Ensuring appropriate provision is made for all vulnerable pupils, including ensuring the needs of socially disadvantaged pupils are adequately assessed and addressed
- When making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being vulnerable
- Pupil Premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means not all the children receiving free school meals will be in receipt of pupil premium interventions at one time.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<i>Improving reading outcomes with disadvantaged pupils and raising the attainment of disadvantaged children in phonics outcomes.</i>
2	<i>Tackling disadvantaged pupil's attendance/late arrival and lowering the number of persistent absentees.</i>
3	<i>Pupil well-being & mental health – Supporting pupils and parents with support regarding wellbeing & mental health</i>
4	<i>Underdeveloped oracy skills and gaps in vocabulary throughout school but is evident strongly within disadvantaged pupils.</i>

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<i>Challenge 1: Pupils can read fluently by the end of Key Stage One</i>	At least 75% of disadvantaged pupils pass the Year 1 Phonics Screening Check At least 85% of disadvantaged pupils pass the PSC by the end of Y2
<i>Challenge 1 & 4: Pupils leave school at the expected standard for reading, writing & maths by the end of Key Stage 2</i>	Outcomes by the end of Key Stage Two show that more than 75% of disadvantaged pupils meet the expected standard.
<i>Challenge 2: Pupils attend school regularly</i>	Disadvantaged pupil attendance to be in-line with (or above) national expectation of 95%
<i>Challenge 3: Pupils are physically & mentally well, with their needs being met appropriately</i>	All pupils with social care involvement or identified as vulnerable on the school safeguarding register to have access to in-school pastoral support. The school Mental Health Champion to promote & encourage pupils to talk & discuss their feelings, supported through a range of strategies to meet the needs of all pupils (case studies) At least 60% of disadvantaged pupils attend extra-curricular activities

Activity in this academic year

This details how we intend to spend our pupil premium funding **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £69,900

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p><i>Implement a reviewed structured approach to reading including:</i></p> <p>Purchase of ELS phonics programme (including assessment framework)</p> <p>Leadership time to monitor reading across school</p> <p>Pupil Progress meetings to monitor impact</p> <p>Staff CPD linked to the teaching of reading</p>	<p>Reading comprehension strategies are high impact on average (+6 months). Alongside phonics it is a crucial component of early reading instruction.</p> <p>Teachers are aware of the importance to identify appropriate level text difficulty to provide appropriate context to practice the skill, engage with the text and challenge to improve reading comprehension.</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/reading-comprehension-strategies</p>	1
<p><i>Purchase 'Learning WalkThrus' online CPD tool to implement consistent pedagogies throughout school with the aim of reducing cognitive overload for pupils' learning.</i></p> <p>Focus on: retrieval learning, pupil participation in lessons, and behaviour management.</p>	<p>The EEF state that supporting high quality teaching is pivotal in improving children's outcomes. Research tells us that high quality teaching can narrow the disadvantaged gap. The professional development programme built using WalkThrus is supported by:</p> <ul style="list-style-type: none"> evidence from cognitive science which provides a clear model for learning evidence from the study of effective professional development 	1, 4
<p><i>Implement an Oracy framework</i></p>	<p>On average, oral language approaches have a high impact on pupil outcomes of 6 months' additional progress.</p> <p>Staff, when trained, will effectively be able to support children who enter school behind their advantaged peers.</p>	4

<p><i>Staff CPD including:</i></p> <ul style="list-style-type: none"> - <i>Fluency project & strategies</i> - <i>Phonics (ELS)</i> - <i>Reading strategies</i> - <i>Mental health and well-being</i> - <i>Oracy Hub (RWM Doncaster & Voice 21)</i> - <i>Moderation</i> - <i>Mixed age-group classes</i> - <i>DL24 programme</i> - <i>Network meetings</i> - <i>NPQs</i> - <i>ECT programme (release time)</i> - <i>Maths Hub</i> 	<p>The EEF state that supporting high quality teaching is pivotal in improving children’s outcomes. Research tells us that high quality teaching can narrow the disadvantaged gap.</p> <p>After using data to identify our school’s priorities, all teachers and teaching assistants are provided with tailored professional development training on strategies to effectively support learners – particularly in phonics and reading fluency (in accordance with the EEF, 2023).</p> <p>Providing TA staff with the appropriate training necessary to deliver high quality intervention sessions.</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/teaching-assistant-interventions</p> <p>Being able to support smaller class sizes by introducing mixed aged classes support the school in accelerating progress across each phase.</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/reducing-class-size</p>	<p>1, 3, 4,</p>
<p><i>Inclusion Manager to be released for 1.5. days per week and Learning Mentors to be employed (x2) to support pupils and families (mental health and well-being)</i></p> <p><i>Liaise with ‘With Me In Mind’ colleagues</i></p>	<p>DFE research indicates that taking a coordinated and evidence-informed approach to mental health and wellbeing leads to improved emotional health and wellbeing in children and young people, and greater readiness to learn. Schools and colleges which have taken this approach often report improved attendance, attention, behaviour and attainment.</p>	<p>3</p>

Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: £66,800

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p><i>Reading interventions:</i></p> <ul style="list-style-type: none"> - <i>Phonics ELS</i> - <i>HfL fluency programme</i> - <i>Targeted KS2 reading intervention</i> - <i>Fluency programme</i> - <i>1:1 daily readers</i> - <i>Reading boosters</i> 	<p>Guidance EEF reports – teaching toolkit: Reading comprehension</p> <p>Reading comprehension strategies are high impact on average (+6 months). Alongside phonics it is a crucial component of early reading instruction. Successful reading comprehension approaches allow activities to be carefully tailored to pupils’ reading capabilities, and involve activities and texts that provide an effective, but not overwhelming, challenge.</p> <p>A wide range of strategies and approaches can be successful, but for many pupils they need to be taught explicitly and consistently.</p>	1, 4
<p><i>Thrive intervention programme/ Learning Mentor sessions to support children and families with mental health and wellbeing</i></p>	<p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/mentoring</p> <p>Evidence suggests mentoring is likely to have a positive impact on attainment. These positive effects tend not to be sustained once the mentoring stops so we take care to ensure that all benefits are not lost.</p>	3
<p><i>Additional staff in school to training as specialist speech and language leaders across school:</i></p> <p><i>Access training</i></p> <p><i>Identify and track key groups/ children</i></p> <p><i>Deliver targeted intervention</i></p>	<p>There is strong evidence base showing the impact that high quality intervention can have on the outcome of struggling pupils (The EEF Guidance on the PP). Intervention is effective if it is objective and a short-term programme.</p> <p>EEF Toolkit shows that small group and 1:1 tuition can have a positive impact of up to +4-+5 months.</p>	2, 3
<p><i>Attendance Leader in school:</i></p> <p><i>Meetings with targeted families (personal Support Plans)</i></p>	<p>Good attendance at school will enable children to achieve well and are more likely to reach expected age-related standards.</p> <p>DfE research into school absenteeism shows that a much higher disproportionate number of pupils who come from deprived social backgrounds are more likely to miss school and underachieve than their non-disadvantaged peers.</p>	2

<p><i>Complete paperwork and ensure policies are implemented</i></p> <p><i>Monitoring & updating other leaders</i></p> <p><i>Ownership of new initiatives</i></p>		
---	--	--

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £33,450

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Two Thrive practitioners will support the most vulnerable pupils to regulate and develop strategies to cope both in and out of school.</p>	<p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/mentoring</p> <p>Evidence suggests mentoring is likely to have a positive impact on attainment. These positive effects tend not to be sustained once the mentoring stops so we take care to ensure that all benefits are not lost.</p>	<p>2, 3</p>
<p>Further strategies to support with: attendance (trips, prizes & certificates), enhancing cultural capital (subsidising trips, visit to pantomime at Christmas, experiences – theatre groups etc) & funding for Breakfast Club/ After School Clubs</p>	<p>Children achieve better if they have experienced something first hand. Providing them with theatre groups and Shakespeare workshops not only brings learning to life, it also enhances pupil motivation which will have a positive impact on attainment and progress. Children will make better progress and attain better results if they attend school regularly. These strategies are used as a way of addressing any issues with attendance</p>	<p>2</p>

Total budgeted cost: £170,150

Part B: Review of the previous academic year

Outcomes for disadvantaged pupils

The end of the academic year for 2023-2024 saw the end of the previous Pupil Premium

Strategy. Below is a review of the intended outcomes:

<p><i>Challenge 1:</i> <i>Pupils can read fluently by the end of Key Stage One</i></p>	<p>At least 75% of disadvantaged pupils pass the Year 1 Phonics Screening Check</p> <p>At least 85% of disadvantaged pupils pass the PSC by the end of Y2</p> <p>By the end of Key Stage 1 (Year 2), all pupil premium children had passed the Phonics Screening Check in 2023-24. In 2022-23, 89% of pupil premium children passed.</p> <p>Since the start of the 2021-2024 PP Strategy, there has been an overall increase of +33% of PP children passing the check by the end of Year 2.</p> <p>Although the target for Year 1 has not been achieved, leaders are pleased with the improvement overall.</p>																												
<p><i>Challenge 2 & 3</i> <i>Pupils achieve Age Related Expectations in their year groups (by the end of the current strategy – July 2024)</i></p>	<p>Disadvantaged pupil attainment will rise by 5%-10% in each year from baseline:</p> <table border="1" data-bbox="699 949 1369 1301"> <thead> <tr> <th></th> <th>Reading</th> <th>Writing</th> <th>Maths</th> </tr> </thead> <tbody> <tr> <td>Current Year 3</td> <td>57%</td> <td>39%</td> <td>60%</td> </tr> <tr> <td>Current Year 4</td> <td>50%</td> <td>50%</td> <td>55%</td> </tr> <tr> <td>Current Year 5</td> <td>48%</td> <td>48%</td> <td>68%</td> </tr> <tr> <td>Current Year 6</td> <td>47%</td> <td>50%</td> <td>53%</td> </tr> <tr> <td>2023 leavers</td> <td>57%</td> <td>53%</td> <td>63%</td> </tr> <tr> <td>2022 leavers</td> <td>50%</td> <td>50%</td> <td>50%</td> </tr> </tbody> </table> <p>Outcomes have varied year-on-year depending on the cohort of pupils. In the main, outcome have improved for pupil premium children, particularly in more recent years when strategies and approaches have become more embedded and consistent.</p>		Reading	Writing	Maths	Current Year 3	57%	39%	60%	Current Year 4	50%	50%	55%	Current Year 5	48%	48%	68%	Current Year 6	47%	50%	53%	2023 leavers	57%	53%	63%	2022 leavers	50%	50%	50%
	Reading	Writing	Maths																										
Current Year 3	57%	39%	60%																										
Current Year 4	50%	50%	55%																										
Current Year 5	48%	48%	68%																										
Current Year 6	47%	50%	53%																										
2023 leavers	57%	53%	63%																										
2022 leavers	50%	50%	50%																										
<p><i>Challenge 4:</i> <i>Pupils attend school regularly</i></p>	<p>Disadvantaged pupil attendance to be in-line with (or above) national expectation of 95%</p> <p>Attendance figure for Pupil Premium children in 2023-24 was 91.48%. This was a slight increase from the previous year but below the targeted 95%.</p>																												
<p><i>Challenge 5:</i> <i>Pupils are physically & mentally well, with their needs being met appropriately</i></p>	<p>All pupils with social care involvement or identified as vulnerable on the school safeguarding register to have access to in-school pastoral support.</p> <p>The school Mental Health Champion to promote & encourage pupils to talk & discuss their feelings, supported through a range of strategies to meet the needs of all pupils</p> <p>Good support is in place for vulnerable pupils. Progress for all targeted children can be seen through Thrive Profiles (termly assessments) and case studies.</p>																												

1. 2023-2024 End of Key Stage 2 Data for Pupil Premium Children (21 pupils/ 55%)

	Reading	Writing	Maths	RWM
End of KS2 PP children	52% (+2%)	67% (+17%)	57% (-12%)	43% (-7%)
End of KS2 Whole class	61%	74%	68%	55%

2. 2023-2024 Phonics Data for Pupil Premium Children (12 pupils/ 32%)

	PP children	Whole class
Year 1	58% (-12%)	68% (-3%)
By end of Year 2	100% (+11%)	87% (-3%)

3. 2023-2024 GLD Data for Pupil Premium Children in EYFS (15 pupils/ 38%)

	% GLD	All ELGs
Pupil Premium	60% (-10%)	60% (-10%)
Whole Class	67%	67%

(brackets show increase/ decrease in % from previous year)

Externally provided programmes

Please include the names of any non-DfE programmes that you used your pupil premium to fund in the previous academic year.

Programme	Provider
TT Rockstars	Times Table Rockstars
Essential Letters and Sounds phonics programme	Oxford University Press
Numicon	Oxford University Press
Thrive	Thrive
HfL Fluency Programme	Hertfordshire for Learning

Further information (optional)

Our Breakfast Club is heavily subsidised by Windhill Primary School (£1 per day) to allow all pupils access to a healthy breakfast.

Windhill Primary also takes part in the National School Breakfast programme. 75% of funding is received from the Government with the school contributing 25%.

We also provide a wide range of after school activities to all our pupils so they can access new experiences and opportunities.
