Legal Duties

As a school we welcome our duties under the Equality Act 2010. The general duties are to:

- eliminate discrimination,
- advance equality of opportunity
- foster good relations

We understand the principal of the act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

A protected characteristic under the act covers the groups listed below:

- age (for employees only),
- disability
- race (includes ethnic or national origins, colour or nationality)
- gender (including issues of transgender)
- gender reassignment
- maternity and pregnancy

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties. These are to:

- publish Equality Information - to demonstrate compliance with the general duty across its functions

We will not publish any information that can specifically identify any child

Prepare and publish equality objectives

To do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a school. This will include the following functions:

- Admissions
- Attendance
- Attainment
- Exclusions
- Prejudice related incidents

Our objectives will detail how we will ensure equality is applied to the services listed above however where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

In fulfilling our legal obligations we will:

- Recognise and respect diversity
- Foster positive attitudes and relationships, and a shared sense of belonging
- Observe good equalities practice, including staff recruitment, retention and development.
- Aim to reduce and remove existing inequalities and barriers.
- Consult and involve widely

Our Ethos/mission

Our whole school community is committed to working together as a team to achieve our vision for Windhill Primary School. We will work in partnership with parent/carers and the community and our Children's Centre to provide high quality learning experiences in a beautiful environment.

Our school is a place where differences and cultures are celebrated and positive attitudes are promoted to prepare children to take their place in an ever-changing, technological, multi-cultural society as caring and responsible individuals.

Addressing Prejudice Related Incidents

This school is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fair less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice in order to prevent any incidents. If incidents still occur we address them immediately and report them to the Local Authority using their guidance material. The Local Authority may provide some support.
