

Topic:

Over the autumn term, we will be focusing on the rainforest.

Our sessions will cover:

- Geographical vocabulary
- Locational language
- Biomes
- Layers of the rainforest
- Plant & Animal life
- Amazonian tribes
- Amazon rainforest & river
- Climate
- How we use the rainforest

English:

For the first two weeks of the term we are focusing on 'Grammar Hammer'. This gives us time to revisit previously taught skills and secure our understanding before moving into writing opportunities.

Autumn 1

- Instructional writing - How to survive in the rainforest
- Descriptive write - 'The forest curse'

Autumn 2

- Narrative - Adventure story
- Diary— Surviving the rainforest

Maths:

The main areas of learning during the autumn term are:

- Place Value & Number
- Addition
- Subtraction
- Multiplication
- Division

Science:

During the term, our focus will be on Animals including animals (Autumn 1) & Plants (Autumn 2).

Autumn 1

- Nutrition
- Food labels
- Skeletons
- Muscles

Autumn 2

- Parts of a plant
- What they need to grow
- Life cycle of a plant

The Rainforest

How would you survive in the rainforest?

RE:

The faith we will be investigating is Christianity.

'What does being a Christian, in Britain, look like today?'

Music:

We use a scheme of learning called Charanga.

Autumn 1 - Singing - Let Your Spirit Fly

Autumn 2 - Playing - Glockenspiel

Experiences/ Visits:

Tuesday 19th September - Scotty's Heroes Survival Day.

Tuesday 26th September - European Languages Day.
