

Welcome to my **Chair of Governor's letter** for the **Autumn Term 2023**

It is always a pleasure to share my thoughts with our Windhill family and to visitors to our website. I, and the other Governors, are so proud to support the Head Teacher and all of the staff at Windhill Primary School. We have a responsibility to govern the school fairly, respectfully and judiciously. We work on behalf of all of the Windhill community: staff, parents and, most importantly, the children.

Over the Summer holiday, it is possible that you watched the Women's England Football team – The Lionesses - play in the World Cup. Spain won the tournament but England proudly celebrate being Runners-Up.

At Windhill, in the hall, there is a really important message for the children:

“At Windhill, sometimes we win, sometimes we lose but every time, we learn.”

This is such an important lesson for us all. In life, sometimes we all feel like winners. Sometimes, we all have felt like losers. But in every situation, there are lessons to be learned.

Sarina Weigman, the England coach said this about the team :

“In a team sport it all starts with teamwork, being connected and knowing each other,”

Every day, through this new school year, we will continue to dedicate ourselves to be the best team that we can be to provide the best education for the children and the best support for our families.

You are very welcome to visit our lovely school and to meet our school team.

My best wishes to you, on behalf of our Governing Body at Windhill Primary School.

Mrs Mathers
